

## **CASE MANAGER and HEALTH EDUCATOR I FARMWORKER SERVICES**

Services of Greene County Health Care, Inc. is seeking an enthusiastic, hard-working, and willing individual to join our team as a Case Manager/Health Educator (Outreach Worker). Greene County Health Care, Inc. is an equal opportunity employer and provider.

The Case Manager/Health Educator will work in the Farmworker Services department and will be responsible for completing basic health assessments and providing health education, referrals, and follow-up to migrant and seasonal farm workers. The Case Manager/Health Educator will also be required to establish and maintain effective and cordial working relationships with state and local agencies, growers, other employees, and clients involving frequent and difficult negotiation and interaction.

### **Minimum Qualifications**

High School Diploma or equivalent, with preferably one year of experience in farmworker-related issues

Ability to communicate effectively in written and spoken English and Spanish

Current and valid driver's license is required

This position requires the employee to work 3-4 evenings per week as well as 1-2 weekends per month. The employee must have reliable transportation to various work sites and other on-the-job travel.

Pay is calculated from a base rate to include merit for education and experience. This is a full-time position and the employee will be eligible to enroll in benefits including medical, dental, and vision insurance, and 401(k).

Greene County Health Care Inc. is an equal opportunity employer and provider.
