

## PHYSICIAN | SNOW HILL MEDICAL CENTER

Physician delivers age-appropriate professional primary medical services to adult, geriatric, and/or pediatric patients in an ambulatory care setting in accordance with organizational policies and procedures and consistent with the scope of medical practice as defined by the North Carolina Medical Practice Act, North Carolina Medical Board rules and position statements, and other applicable laws and regulations; and provides clinical leadership and supervision of mid-level providers and clinical staff.

### Minimum Qualifications

- Graduate of an accredited school of medicine; completion of residency training; completion of mandatory continuing medical education as required for medical license; completion of mandatory in-house orientation and in-service programs as required by GCHC policies and procedures.
- Current and valid medical license in good standing with the North Carolina Medical Board required.
- Certification of Basic Life Support (Health Care Provider) required within six months of hire and then every two years thereafter.
- ACLS and/or PALS preferred.

The Physician will primarily serve patients at our Snow Hill Medical Center clinic located in Snow Hill, N.C.
